

Ramsey High School
Band and Guard Parents Association
Ramsey, New Jersey

June 2007

Dear Parents,

The enclosed manual has been developed to provide a fingertip guide to everything you need to know regarding the band and color guard. It has been broke down into five easy, informative sections: Students, Parents, The Band & Color Guard Parents' Association, Directions to Competitions and Band Camp Paperwork.

Your BAND CAMP material is the final section. Please remove the entire portion, fill out the forms and return them in the pre-addressed envelope – which is located in the front pocket of the binder.

We hope that having this binder available is helpful throughout the year. If you have any questions, please don't hesitate to contact us.

Sincerely,

Clifford Bialkin
Director of Bands
